

# LAMPHHS 2022 Annual Meeting – Preliminary Program

**Saratoga Springs, NY**  
**20-21 April 2022**

Librarians, Archivists, and Museum Professionals in the History of the Health Sciences  
<http://iis-exhibits.library.ucla.edu/alhhs/lamphhs2022annualmeeting.html>

## Meeting Attendance

All times Eastern/EDT (Eastern Daylight Time); times for hybrid (live and virtual) sessions also are shown in Central, Mountain, and Pacific.

Capacity for the in-person meeting is 50 people and there is a 60-person limit for the reception dinner. Registration for both will be first-come, first-served.

The in-person meeting cost includes Breakfast and Lunch on April 21. The Meeting is held during Passover; kosher meal options will be provided at no additional charge. The Registration Form collects information about attendees' requirements for kosher, vegetarian, vegan, gluten-free, or other dietary needs.

The virtual meeting cost goes towards the cost of additional technology. Due to the additional planning and setup requirements needed to offer a hybrid meeting, it was decided to charge the same amount.

Registration for non-members includes an additional \$15 fee, which covers the cost of a LAMPHHS membership for the 2022 calendar year.
